

The York Chamber Ensemble (YCE) has been presenting concerts to Aurora audiences since 2001, celebrating the rich artistic resources of York Region. YCE is primarily a string orchestra which is often augmented by winds, brass and percussion. This dynamic approach also allows for large choral works to be performed as well as smaller chamber works. Local soloists are often featured, including talented young artists. Under the direction of Tony Browning, YCE presents four annual concerts at Trinity, as well as performances with other community groups of York Region. Last season YCE performed with the Trinity Festival Chorus, YRDSB Staff Singers and the Tapestry Chamber Choir.

Come and experience live music of high quality with family and friends!
